Pressed Animal Lick Salt Blocks

Our Crushed Natural Himalayan Salt is pressed hydraulically to make blocks of Animal Lick Salt. Animal lick salt is a natural, mineral-rich salt designed for livestock and pets. It supports hydration, aids in digestion, and provides essential trace minerals, promoting overall health and wellbeing. Ideal for horses, cattle, goats, and other animals, it encourages licking behaviour while ensuring optimal nutrient intake.

Available Packing:

Available in various packaging to according customer's requirements.

Usage:

Animal Feed
